

Terms and Conditions for internal collaboration access to high-resolution video streaming

In subscribing to this service I accept, on behalf of my institute, the following terms and conditions:

- 1) High-resolution video images from the [_____] are provided for training and teaching purposes within the collaboration.

- 2) The privacy of those present in the afore-mentioned area shall be respected to the maximum extent possible. Captured images are not to be saved, edited, distributed or made externally available. Under no circumstances shall images be uploaded onto the web including social media sites such as YouTube and Facebook.

- 3) In the event that images are disseminated within the institute, these terms and conditions shall accompany such internal dissemination.

- 4) CERN reserves the right to cease streaming of the images at any time.
