

Authorization and release form for photographs taken at CERN

Subject to the terms and conditions set out below, the European Organization for Nuclear Research, an Intergovernmental Organization with its seat at Geneva, Switzerland (“CERN”), grants you a royalty-free, worldwide and perpetual right to:

- (a) create photographic images of **< description of property >** (the “Photographs”), provided that CERN has previously approved the location and subject matter of the Photographs, that access to CERN sites is at the discretion of the Director- General and that all applicable CERN regulations and instructions, including safety rules, are complied with;
- (b) use, copy, reproduce, publish, distribute or publically display (collectively “Use”) the Photographs, including the modified Photographs as defined in (c), either by themselves or in conjunction with other content, in any medium or format, provided that such Use is not in a misleading, inappropriate or offensive manner, in a military context, in advertising or promotion, or in a manner that suggests any kind of endorsement by CERN or its personnel; and
- (c) modify or alter the Photographs, or combine them with other content, provided that the integrity of the Photographs is not substantially altered.

You may assign the rights set out in paragraphs (b) and (c) subject to terms and conditions no less stringent than those contained herein. The exercise by the assignee of such rights shall constitute the assignee’s implied consent to these terms and conditions.

You affirm that any individuals pictured other than in an incidental, non-identifiable fashion consent to being photographed and to the use of their likeness in accordance with this release.

CERN asserts no right, title or interest in the Photographs, including copyright, it being understood that you acquire no ownership right in the name, acronym and logo of CERN.

You shall grant to CERN and its experiments a royalty-free, worldwide, non-exclusive and perpetual license to Use the Photographs for education and outreach activities, [including upload of the Photographs on the CDS Document Server,] in any medium or format, as well as to modify the Photographs, provided that their integrity is not substantially altered, to render them suitable for such education and outreach activities. CERN shall endeavor, on a best efforts basis, to credit you each time the Photographs are Used.

You, and/or as the case may be your assignees, shall Use the Photographs at your own risk and release CERN from, and shall hold it free and harmless from, any claims or liability for loss or damage in connection with the creation and Use of the Photographs and your visit to the CERN site.
